Dear Reader,

Welcome to the first newsletter of Prosperity4All project.

It has been 6 months since Prosperity4All started, and we'd like to share with you the progress made so far. We will be glad to answer any of your questions and to also hear your ideas.

In this first newsletter, we present an overview of the project for those of you who are not yet familiar with it. We also want to share with you the most relevant results achieved so far and ways in which you can get involved to make Prosperity4all a reality.

More to come in the near future, so stay engaged with us!
